Vindicator Quality Aluminium Boats - Proudly Australian Made

Vindicator Quality Aluminium Boats are built in Gympie 45minutes north of the Noosa on the Sunshine Coast by Watson's Marine Centre

Our range of boats are naval architectural designed by one of the leading Queensland designers, Allowing a router cutting process, providing the highest accurate & efficient cost effective means of building these vessels.

A fine team of certified craftsman assures personal service from the building of your vessel to the finished product & beyond.

We only use the finest of materials - the 5000 series marine grade alloy
Specifically made for full time salt water applications
5mm bottoms, 4mm sides & 4mm floor - making Vindicator Boats extremely strong

The ride is extreme, smooth, dry & very stable; emphasis is placed on crew comfort.
You must test drive a Vindicator Boat to appreciate there many attributes.

Our Range of designs

5.5m Centre Console- 5.5m Cuddy Cabin - 5.8m Half Cabin - 6.2m Half Cabin- 7.2m Half Cabin
All measured to survey length.

With over 40 years experience in the boating industry, fishing inside & outside waters of the Queensland Coast, crossing many bars & launching boats from the beach into the surf.
We believe this vessel is one of the best quality boats for total safety to you & your family.
