Vindicator Quality Aluminum Boats & Trailers ®

Built in Gympie 45 minutes north of Noosa on the Sunshine Coast
By Watson's Marine Centre

Our range of boats are naval architectural designed by one of the leading Queensland designers, Allowing a router cutting process, providing the highest accurate & efficient cost effective means of building these alloy vessels.

We only use the finest of materials - the 5000 series marine grade alloy
Specifically made for full time salt water applications
5mm bottoms, 4mm sides & 4mm floor - making Vindicator Boats extremely strong & safe.

A fine team of certified craftsman assures personal service from the building of your vessel to the finished product & beyond. Built for Australian Fishing Families by Australian Fishing Families.

The ride is extreme, smooth, dry & very stable; emphasis is placed on crew comfort. You must test drive a Vindicator Plate Alloy Boat to appreciate their many attributes.

Our Range of Vindicator Boat designs.
5.5m Half Cabin - 5.8m Half Cabin - 6.2m Half Cabin – 6.8m Half Cabin - 7.2m Half Cabin
All measured to survey length – Cuddy Cabin & Centre Console Versions also Available.

Vindicator Quality Aluminium Trailers

“Built for the Long Haul”

Structurally Engineered, Strong & Rust Free – Offers Years of Worry-Free Travel
Commercial & Recreational Trailers – Custom Built to suit your boat & needs

With over 50 years' experience in the boating industry, fishing inshore and offshore waters of the Queensland Coast, crossing many bars & launching boats from the beach into the surf. We believe these vessels are one of the best quality boats, total safety for you & your family.
