**Vindicator Quality Aluminum Boats - Proudly Australian Made**

# **Vindicator Quality Aluminum Boats & Trailers ®**

Built in Gympie 45minutes North of Noosa Heads on the Sunshine Coast  
by Watson's Marine Centre

Our range of boats & trailers are naval architectural designed by one of the leading Queensland designers,  
That allows a router cutting process, providing the highest accurate & efficient cost effective  
Means of building these vessels.

A fine team of certified craftsman assures personal service from the building of your vessel to the  
Finished product & beyond.

We only use the finest of materials - the 5000 series marine grade alloy  
Specifically made for full time salt water applications  
5mm bottoms, 4mm sides & 4mm floor - making Vindicator Boats extremely strong.

The ride is extreme, smooth, dry & very stable; emphasis is placed on crew comfort.  
You must test drive a Vindicator Quality Aluminum Boat to appreciate their many attributes.

## Our Range of designs

5.5m Cuddy or Half Cabin - 5.8m Half Cabin - 6.2m Half Cabin - 7.2m Half Cabin  
All measured to survey length - Centre Console Versions Available in all sizes  
All Boats are custom built for total safety to you & your family.

## **Vindicator Quality Aluminium Trailers**

Watson's Marine Centre also builds Vindicator Quality Aluminium Trailers  
"Built for the Long Haul"

Light Weight – Strong – Rust Free – Offers Years of Worry Free Travel  
Commercial & Recreational Trailers – Custom Built to suit your needs  
Boats, Jet Ski's, Car's, Machinery, ATV'S & Motorcycle's

With over 40 years experience in the boating industry, fishing inside & outside waters of the QLD Coast,  
Crossing many bars & launching boats from the beach on Fraser Island.  
We believe this vessel is one of the best quality boats for total safety to you & your family.
