Vindicator Quality Aluminum Boats & Trailers ®

BUILT BY EXPERIENCE—BUILT FOR ADVENTURE.

For over 60 years, Watson's Marine has been helping Queensland families, anglers, and boating enthusiasts enjoy the very best of life on the water.

Built in Gympie, just 40 minutes north of Noosa on the Sunshine Coast,
Vindicator Aluminium Boats are designed for Australian conditions by leading Queensland naval architects
Handcrafted by experienced marine craftsmen who understand what a quality boat should be.

Every Vindicator Aluminium Boat is custom-built using premium 5000 Series Marine Grade Aluminium, specifically designed for saltwater applications.
Featuring heavy-duty 5mm bottoms, 4mm sides, and 4mm floors, these vessels are engineered for exceptional strength, durability, and long-term reliability. - But strength is only part of the story.

Years of offshore fishing, bar crossings, and beach launching along the Queensland Coastline have helped shape a boat that delivers an outstanding unleavable ride.
Smooth, dry, stable, safe and comfortable,
Vindicator Aluminium Boats are built with one goal in mind
getting you, your family, and your friends safely to your destination and home again.

Whether you're chasing reef fish offshore, exploring local waterways, or enjoying a day on the water with the family, Vindicator Aluminium Boats are designed to inspire confidence every time you launch.

Vindicator Quality Aluminium Boat Range
