F6HP

The Yamaha F6HP is a compact and reliable 6hp portable outboard designed to deliver smooth, quiet power with surprising refinement for its size. Built around Yamaha's proven 139cc engine, it's the ideal choice for dinghies, tenders, tinnies, and small fishing boats where portability and dependable performance matter most.
With features like a labyrinth exhaust system for quieter operation and a long-span mounting system for reduced vibration, the F6HP offers a more comfortable and refined boating experience than you'd expect from a small portable motor.

Features & Benefits

- Lightweight design – only 27kg (short shaft) or 28kg (long shaft)
- Reliable 139cc Yamaha 4-stroke engine
- Smooth, quiet operation thanks to labyrinth exhaust system
- Reduced vibration with long-span mounting system
- Excellent fuel efficiency and low running costs
- Easy manual starting system
- Compact and easy to transport
- 1.1L built-in fuel tank for short trips and convenience
- Dual fuel-line connection for optional external fuel tank (extended range capability)
- Durable alloy propeller
- 5-position tilt adjustment for better control and comfort
- 3-position shallow water drive for versatile use
- Tiller handle steering for simple operation
- Low maintenance and dependable Yamaha reliability
