F8HP

The Yamaha F8HP delivers impressive power in a lightweight, highly portable design. With a larger 212cc engine and an excellent power-to-weight ratio, it steps up performance while still remaining easy to carry, mount, and store.

Ideal for tinnies, inflatables, and small fishing boats, the F8HP offers the perfect balance of portability and strong on-water performance. Like all Yamaha outboards, it's engineered for smooth operation, quiet running, excellent fuel efficiency, and long-term reliability.

Designed with user convenience in mind, the F8HP features smart carry points, a fold-in tiller handle, and resting pads to make transport and storage simple and hassle-free.

Features & Benefits

- Lightweight design – only 38kg (short shaft) or 39kg (long shaft)
- Powerful 212cc Yamaha 4-stroke engine
- Excellent power-to-weight ratio in its class
- Smooth, quiet, and fuel-efficient performance
- Reliable manual starting system
- Fold-in tiller handle for easy storage
- Integrated carry handles and resting pads for transport convenience
- Durable alloy propeller
- 3-position shallow water drive for versatility
- Low emissions and efficient fuel use

Available Models
