Yamaha F150HP Four Stroke Offshore Outboards for Sale

Yamaha F150 – Proven Performance for Australian Boating
The Yamaha F150 is one of the most trusted and versatile 150HP outboards on the water, combining strong performance, excellent fuel economy, and legendary Yamaha reliability. A popular choice on our 725 and 770 Vindicator packages, it delivers the ideal balance of power, handling, and efficiency.

Built on Yamaha's proven Inline Four platform, the F150 offers:

- Strong acceleration and mid-range power
- Smooth, responsive throttle control
- Outstanding fuel efficiency
- Quiet, low-vibration operation

Proven reliability in demanding conditions

Integrated Steering Technology:
The latest F150 models feature integrated steering for a cleaner, more streamlined installation with fewer exposed components, reduced maintenance, and simpler rigging.

Helm Master® EX Compatible:
Selected digital models are compatible with Yamaha's Helm Master® EX system, providing joystick docking, integrated autopilot, and precise low-speed manoeuvring.

Why Choose the Yamaha F150?
- Lightweight 150HP performance
- Excellent fuel economy
- Integrated steering technology
- Helm Master® EX compatibility
- Proven Yamaha reliability
- Ideal for offshore fishing and family boating
